Propel your financial future

The Funding Investment Trust

The Funding Investment Trust (ARSN 616 185 276) makes investing in markets previously dominated by big banks and wealthy institutions accessible to everyday Australians.

With a minimum investment of just \$5,000, you can enter the Australian mortgage market through our innovative investor platform. Take charge of your investments and choose from a variety of first mortgages based on loan term, property location, and target returns ranging from 5% to 9% p.a.* Enjoy monthly interest payments and the flexibility to diversify across multiple, first-mortgage investments for balanced growth and stability.

** Be sure to read the PDS and TMD and consider all risks while investing. Target returns are not guaranteed.*

**5-9% p.a.* Target

*** As at 30 September 2025. Historical results are not a guarantee of current or future performance.*

The Funding Investment Trust is an ASIC registered managed investment scheme where members of the Trust are provided with exposure to first mortgage loans provided to creditworthy borrowers in Australia. Be sure to read PDS/TMD and consider all risks while investing.

| The Funding advantage

Your investments are backed by Australian real estate, offering flexible terms and a variety of properties—designed to help propel your financial future.

Monthly yield potential

Tap into a steady stream of income with monthly interest payments by investing in first mortgages, targeting returns ranging from 5% to 9% p.a.* This income opportunity offers investors the potential for regular cash flow to complement their financial strategies.

* Be sure to read the PDS and TMD and consider all risks while investing. Target returns are not guaranteed.

Property-backed

Enjoy the confidence that comes with investments secured by Australian real estate. This means your capital is backed by tangible assets, offering protection against market volatility and providing more security for your investment.

Flexible terms

Tailor your investment experience to fit your financial goals. Our flexible terms allow you to choose your investment duration and the amounts you wish to commit. Whether you're looking for short-term gains or longer-term growth, you can tailor your investments to suit your horizon.

Diverse investments

Diversify your portfolio by investing across loan term, property location, and target returns. This can help manage risk by spreading exposure to enhance the resilience of your investment portfolio, potentially reducing the impact of market fluctuations.

| Prioritising investor interests

Trust and security matter deeply to us, just like the solid returns you expect. You place your confidence in us, and we're committed to providing a secure and reliable investment experience with Funding.

Our knowledgeable team carefully selects and manages property-secured first mortgage investments. We apply rigorous standards when screening borrowers so that they meet our lending and underwriting criteria.

Our Trust is managed by an independent Trustee with an AFSL, putting your interests first. Additionally, an independent Custodian oversees the security of the Trust's assets, adding an extra layer of protection for your investments.

Thank you for placing your trust in our hands. We're here to support your financial journey, every step of the way.

| Funding

Since 2015, Funding has become a trusted name in first mortgage non-bank lending in Australia. Our mission is to reshape finance, making it more accessible to both investors and borrowers.

Using innovative technology, we provide financial solutions that empower our clients. We prioritise transparency, agility, integrity and kindness, so that investors and borrowers can move forward faster with Funding.

For investors, we offer the Funding Investment Trust and the Funding Income Trust, letting you invest in first mortgages secured by Australian real estate. Through our innovative investor platform, you're in charge, with easy access to manage your investments. We focus on capital preservation, monthly yield opportunities and portfolio diversification.

For borrowers, we provide fast and flexible, non-bank solutions for first mortgage loans. Whether you need a bridging, business or building loan, we're here with quick solutions, supported by technology that streamlines the lending process.

By connecting investors seeking steady income with borrowers needing alternative lending options, we help Australians turn their financial goals into reality.
