Declaration

I/We, the above-mentioned borrower/s, hereby authorise and direct you to liaise with the second mortgagee and/or their solicitor in relation to my/our indebtedness to you and authorise an advance to be made and secured by a second mortgage over the above security property.

I/We further authorise the second mortgagee and/or their solicitor to date, fill in any blanks, add or amend this authority so that when properly completed it will communicate the correct information to the first mortgagee.

It is a condition of the loan that you consent to the second mortgage, enter into a Deed of Priority (if necessary) and produce the title for registration purposes (if applicable by state).

You are further authorised, from time to time, to disclose full details of my indebtedness to you to the second mortgagee and to confirm your priority amount in writing in relation to the above property.

This is a continuing and irrevocable authority that is to remain in effect until the second mortgage has been repaid and discharged from title.
