Declaration

I/We, **the customer** hereby authorise Funding to share my/our customer and personal information with the above-mentioned authorised person, to liaise with them generally regarding my accounts and to act on any lawful instructions which appear to be genuine communications originating from the authorised person acting on my/our behalf. I/We are responsible for all transactions the authorised person carries out on my/our account and I/we acknowledge Funding will not be liable for any act done under this authority to act. I/We irrevocably agree to indemnify and hold harmless Funding against any loss, damage or cost which it may incur arising out of the operation of this authority, provided Funding has acted lawfully, in good faith and without gross negligence.

I, the **authorised person**, consent to the collection, use, holding and disclosing of my personal information by Funding including the disclosing of my personal information to various third parties in the furtherance and facilitation of the objectives for which it has been disclosed. I understand that I can find out more about how Funding deals with my privacy by viewing and obtaining a copy of Funding’s privacy policy from www.funding.com.au. Without limitation, I understand and consent to Funding disclosing my personal information to an organisation providing services in connection with the verification of my identity including on-line verification of my identity.
